

HG4041

An analysis of a new phenomenon

Friday 17:00 two weeks after lecture 12.

This assignment constitutes 40% of your final grade. Please work on it individually. The deliverable should be a paper of no more than twelve pages, formatted according to the LMS guidelines, but single-spaced, double-sided, no-cover page.

Analyze a new linguistic phenomenon.

- The analysis can be in terms of HPSG or GB or both.
 - You should summarize the literature on similar phenomena.
 - The analysis of the phenomenon should be original: don't choose too big a problem.
 - Everyone should work on a different phenomenon.
- * Email a brief (one paragraph) description of the phenomenon to your coordinator (bondieee.org) by week 10.
