HG4041
Presentation of an Existing Analysis

Presentation: Week 12

This assignment constitutes 20% of your final grade. Please work on this assignment in groups of up to three (one, two or three). The deliverable is a presentation (20 minutes) and its accompanying slides (print and hand in before the presentation).

Introduce the analysis of a linguistic phenomenon not covered in (either of) the textbook(s) so that your classmates can understand it.

- The analysis can be in terms of HPSG or GB or both.
- It can be a more detailed look at something that is in the textbooks.
- The analysis should not be original, the goal is to show that you can understand existing research and explain it to others clearly.
- You should read multiple papers.
- You should clearly indicate the source of the analysis you will present.

* Email the bibliographical information of the main paper you will be referring to to your coordinator (`bondieee.org`) by Week 9.

- You should use slides **and you should have slide numbers**
